1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the abstract, please delete everything ^{from} after "The", found as the last word on the 16th line (i.e. from the last word on line 16 to the end of the entire abstract).

PAP
1/16/08

This amendment is made because the originally filed abstract is too long.
